

Criterion®

Rigid Vinyl Color Selections

SCOPE

Panelfold extrudes Criterion® vinyl folding door panels in four solid and two woodtone color finishes. The Criterion® doors assembled from these panels are designed to meet the economical requirements of a broad spectrum of construction projects. Because the color is added before the panels are extruded, the color cannot wear off...they never need painting. Modern technology has made rigid vinyl panels practical...Panelfold has made rigid vinyl panels beautiful.

PRODUCT MODEL DESCRIPTION

Criterion®

Four inch wide solid panels inter-connected by rigid self-mating hinges formed as an integral part of each door panel.

MAINTENANCE

Rigid vinyl panels may be routinely cleaned with a damp sponge or cloth.
