SCALE/6®

Scale/6 folding doors are one of Panefold's most versatile product models, as they span both the door and partition categories. Their intermediate 6" panel width is ideal for a broad range of applications in residential, commercial, institutional, civic and other building types or as large residential room dividers.

HANDLE DETAIL

AVAILABLE COLORS

Available with over 40 solid, multicolored and wood grain decorative vinyl laminates, genuine wood veneers and high pressure laminates shown on page 2.

STANDARD FEATURES

PANELS

Strong, 6" wide, 1/2" thick, laminated wood core panels

HINGES

Memory Action® Dual-Wall™ flexible vinyl hinges reduce light, sound and air transmission

HANDLES & LATCH

ADA-compliant Touch-bar™ handles with positive, automatic latch

CARRIERS

Smooth-rolling, 13/16" diameter, nylon-tired, steel-ball-bearing-wheeled carriers on alternating panels and each end post

TRACK

Decorative aluminum top track

BOTTOM CLEARANCE

3/4" standard (Minimum of 3/8" may be specified on order)

+ OPTIONAL FEATURES

Privacy (Thumbturn), Emergency (Coin) Release and Cylinder Key Locks

Curved track

Bottom sweepseals to reduce passage of light and air between rooms

Alternate track type for recessed track installation

Decorative Startex™ White or matching track trim to conceal track edges

Two-, three- and four-way meeting posts for doors that join at right angles

*Dealer representative must contact Panefold for pricing on optional features

AVAILABLE COLORS

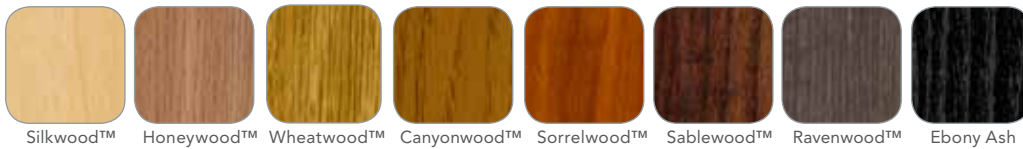

Panelfold Scale® and Sonicwal® folding doors and partitions are available with the decorative finishes shown below. Due to variations in monitor and printer calibration, the color images shown may not display accurately. Physical color samples are available by contacting Panelfold.

Color Group A: Startex™

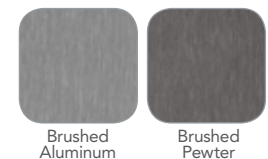

Startex pattern, solid-color, textured vinyl laminates have a subtle, stipple texture and are the lowest in price of all finishes. They are offered in a palette of five attractive, versatile colors.

Color Group B: Woodtex®

Lustertex™

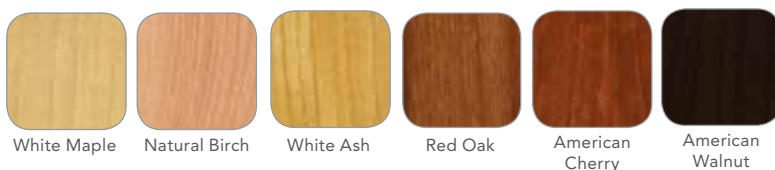

Woodtex high-fidelity wood grain vinyl laminates have a high-grade build in which the printing is “locked in” between an opaque bottom film and a clear top film. Lustertex textured vinyl laminates have a brushed metallic appearance. All ten colors are available for a single upgrade price over Startex textured vinyl laminates.

Color Group C:

Sandtex, Fabrictex, Hightex, Ropetex and Meritex pattern textured vinyl laminates each have a distinctive embossing. All 20 colors are available for a single upgrade price.

Color Group D: Genuine Wood Veneers

Panelfold’s genuine wood veneer collection is for installations that demand the elegance of natural wood. Supplied standard with clear lacquer finish. Unfinished veneers and custom-stained veneers are available upon request.

High Pressure Laminates

Panelfold Scale and Sonicwal models are available with Wilsonart® and Formica® High Pressure Laminates. For pricing, please submit a quote request along with the brand and color reference.
